

I LOVE Lashes

Lash Technology engineered to

MAGNIFY, Maximize, MULTIPLY,

the look of your lashes.

EXPAND:

Plump up the volume with the look of doubly expanded lashes. Lashes look magnified and the formula coats each lash without fading. So intense, you won't believe your eyes!

EXTEND:

Go to serious lengths with lashes that look significantly extended, elongated and seem to go on and on. And because the formula is build-able, you can achieve impressive new heights for maximum, eye-catching impact.

Get wow-worthy volume plus irresistible lengths with the New Lash Intensely Mascara!
