## RAPID DEBT REDUCTION PLAN:

- ✓ Write down all debt, numbering them 1-10 from smallest to greatest.
- ✓ Start paying off the smallest one first, making payments as large as you can. Make minimum payments on #2-10.
- ✓ When debt #1 is paid off, start making big payments on #2. Continue minimum payments on #3-10.

**CONSISTENCY IS THE KEY! YOU CAN DO IT!**
